

■ Attempts to prevent the spread of COVID-19

Employees will take their temperature before work, and will wear masks.

Employees will thoroughly wash their hands and gargle.

We will place sanitizers in various places in the facility.

We will intake outside air in order to ventilate well.

We will regularly sanitize places where unspecified number of people use, such as the handrails, door-nobs, and toilets.

In addition to our regular cleaning routine, we will sanitize and wipe up remote controllers and the light switches since they are frequently touched by a number of people.

Sanitizing wipes are placed in rooms.

Droplet prevention shields are placed on counters and shop cash registers.

We accept cash and card payments on cash trays.

Digital keys in smartphones are also available.

We will pause on providing breakfast buffets for a while, and will change to set menus.

We will place an admission limit to the communal bath.

We will limit the number of passengers on the shuttle bus.
